At Filleigh Primary School, we value a love for literacy. We want every child to leave Filleigh with the skills of an excellent writer. At Filleigh we are determined that:

- Children have the ability to write with fluency and each has an author's voice.
- Children are writing for a purpose and their writing is engaging; they think about the impact they want their writing to have on the reader and know how they will achieve this
- Children develop writing from high quality text models
- Children develop proficiency in writing in a range of genres and have a sophisticated bank of vocabulary and an excellent knowledge of writing techniques to extend details or description;
- Opportunities for writing purposefully are developed through other areas of the curriculum
- Children develop writing stamina.
- Children are provided with the skills to embark on independent writing journeys both in and out of school
- Children are motivated to re-read, edit and improve their writing so every piece of writing they produce is to the best of their ability and better than the last.
- Children display excellent transcription skills that ensure their writing is well presented, punctuated and spelt correctly.

Throughout their time at Filleigh, children develop their skills by exploring a wide-range of genres, with a focus on exploring a range of models of excellence and using these to guide the drafting and editing process. It is important to note that, we not only develop a real enjoyment of writing in English lessons, but in all subjects across the curriculum.
