

Buzzards Class

Autumn Term

Class Teacher: Miss Powe

English: Texts will include **Chalk**, which is a picture book that looks at children finding a bag of chalk and using their creative imagination. Pupils will create their own picture book and write the story to go with it. **How Santa Really Works** explores how Santa is able to deliver all the presents at Christmas. We will look at his house, workshop and the sleigh! This is a great book to get us into the Christmas spirit. Pupils will create their own labelled diagram, explaining how something works.

Maths: Pupils will focus on **Number** in the Autumn term. **Number: Place Value** is our first block. This will focus on representing and partitioning numbers, ordering numbers up to 1000, counting in 50s and estimating. We will then move on to **Number: Addition and Subtraction**. This block includes, adding and subtracting 10s and 100s. Adding and subtracting with and without exchange and estimating. The final block is **Number: multiplication and division**. This block will focus on applying the pupils Times Tables knowledge to help them multiply and divide. We will be practicing Times Tables regularly throughout the year.

Science: This term we will be looking at **Rocks and Soils**. This topic will focus on the different types of rocks and how they are formed. We will explore the rocks properties and the uses of these rocks. We will then move onto **Animals including Humans** and we will explore the skeleton and muscles.

Geography/History: We will start the year exploring the **Land Uses** found in the South West and England. We will explore settlements and their advantages. We will then explore the **Stone Age to Iron Age**. This will be a great topic for children to find out about life back in these times and how we travelled through the different ages.

DT/Art: In Art, we will be exploring the **monochromatic** style of work. Pupils will have the opportunity to create their own piece of art in this style. We will then move onto **sculpture**. We will look at different artists and build our skills using clay.

Computing: This term we will be exploring the unit, **connecting computers**. This unit looks at how our computers communicate and how we can stay safe doing it. We will also explore **e-safety**.

French: We will look at four units this term. These are:
Greetings and Names, Pets, France and its culture, Christmas, and Toys.

PSHE:

Bullying: See it, Say it, Stop it. In this unit we will recognize what bullying is and how it can make people feel. We will learn about different types of bullying and what to do if you are bullied or witness bullying.

What Helps Me Choose? This unit focuses on being healthy. We will look at making healthy choices about our diets and activity.

Feel free to message me on Dojo if you ever need anything. I will often use Dojo to send messages, so please check them regularly!
Miss Powe 😊

Music: Mrs Devereaux will be teaching the pupils a range of instruments and the skills they need to perform. Lessons will happen every week and each child will have the opportunity to play and perform with an instrument.

PE:

Pupils will have a PE session every **Wednesday**. Send your child in wearing their PE kits on Wednesdays.

Religious Education: This term we will be focussing on **Christianity**. We will learn about the creation story, what Christians learn from it and how they live their lives.
